

Ceph Training schedule

Ceph Training

42on provides a high quality Ceph training program consisting out of a *Basic* and *Advanced* training course.

These trainings can be given in-house on request or one can apply for a public training.

Public trainings are given throughout Europe and are open to anyone.

Each training requires a minimal of 3 attendees to take place.

Apply for a training or request more information by contacting info@42on.com
